life gives you these two gifts:

time

and the freedom to choose

time for RHS students

to smile,

to laugh,

or perhaps to frown at a world of confusion;

amid masses

and masses

of faces

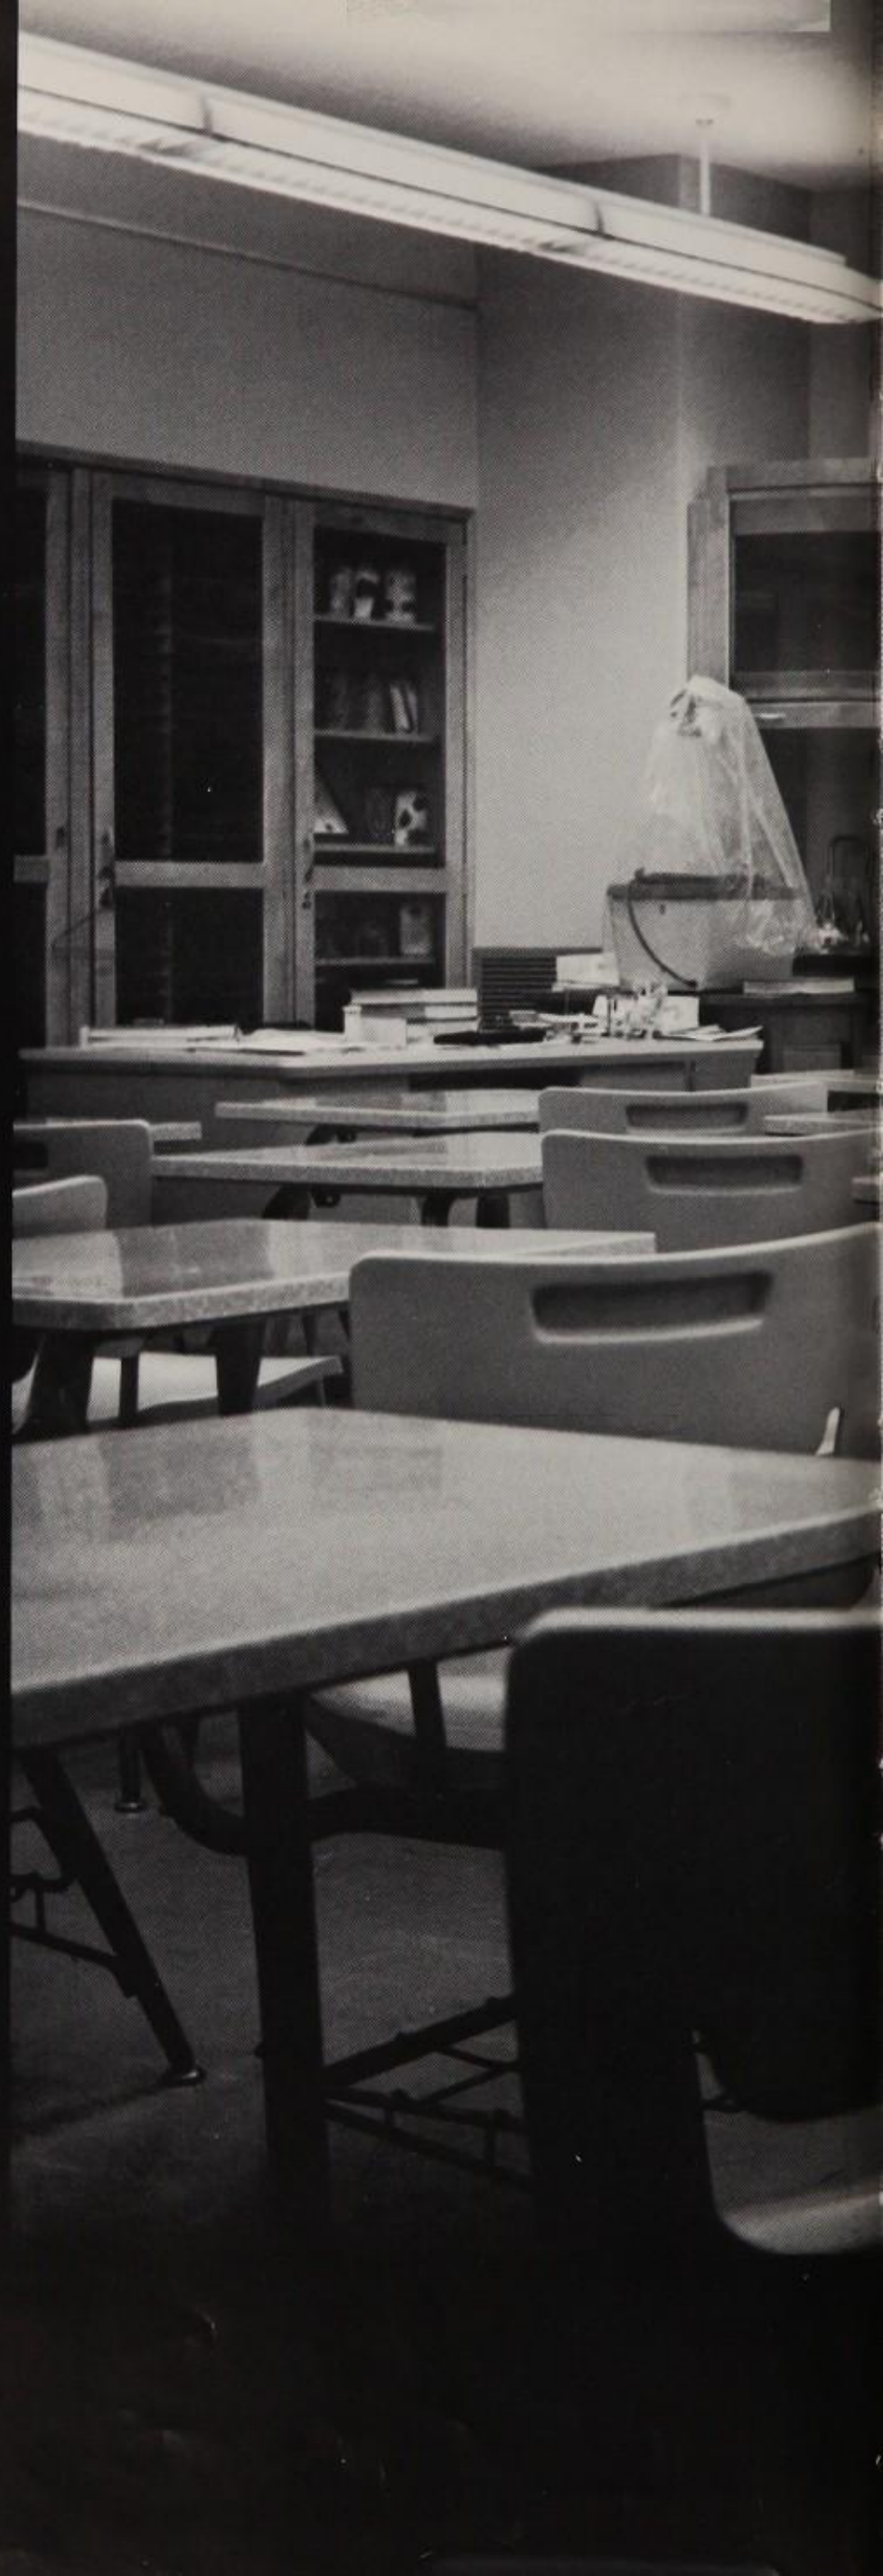

Where YOU are but...

ONE

time to be

a student

Senior Council

Stacy Rowan, Senior Representative

Jan Uhorchak, Senior Council Secretary

Prominent Seniors, Debby Wilson, Dave Willenborg, Stacy Rowan, and Chuck Bayless show the seniors choice for Commencement.

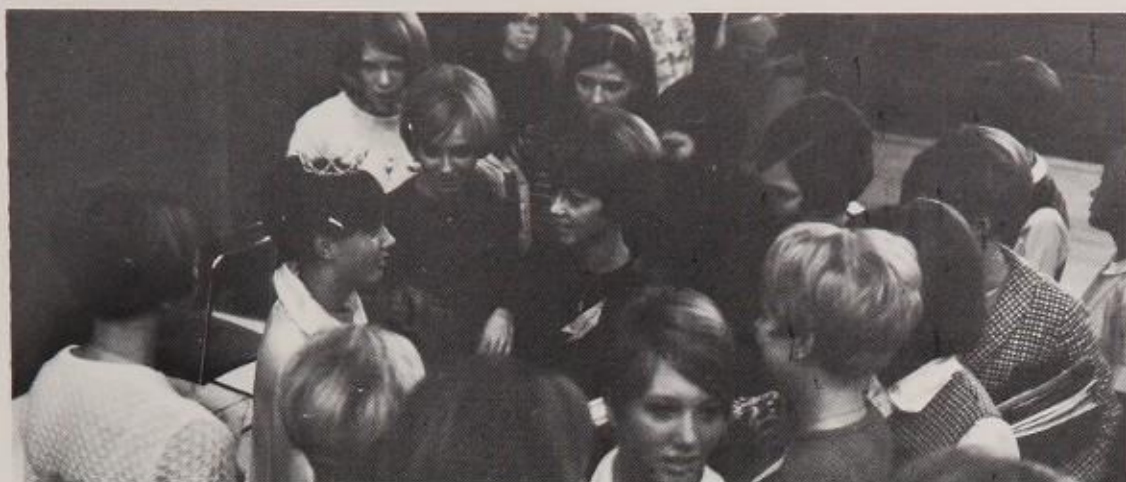

The Senior Class of '67 was successfully represented by the Senior Council. Members are elected through World Affairs and Government classes and are responsible for planning Homecoming, Senior Ball, Bacalaurette, Commencement, and promoting the Senior Party. Under the direction of Senior Representative Stacy Rowan, and faculty advisor Mrs. Cochran, the council should be commended for a job well done.

Look Homeward Indians

Well wishers gather to congratulate the new Queen.

Princess Gayle and her escort Steve Harer.

Gayle on her way to be crowned.

I cried a tear.

Queen Janet crowns her successor, Queen Vicki.

Homecoming Royalty is presented at half-time.

Who ME???

Princess Kay

Homecoming Royalty Of '66

When a girl becomes a senior, she has an opportunity to gain praise and recognition. The Class of '67 voted and came up with six very poised young ladies. The girls were honored at a dinner, where members of the Alumni Association rated them on their poise, personalities, grooming, and social manners.

Then it came! The big moment of decision. From the band came the royalty call. The students were all quiet—impatiently awaiting the final decision. First announced was Princess Gayle Smith. The trumpets re-sounded for Princess Kay Carlson. And finally, the biggest and most important—the Queen. The trumpets sounded once more, and Vicki Utterstrom was crowned Homecoming Queen for 1966. Doing the crowning was Janet (Lilly) Cheetham, Queen for 1965.

At the game, held on November 10, the mighty Renton Indians stomped the Mt. Rainier Rams, 41 to 0, to bring home an overwhelming Homecoming victory.

The dance was held the following night, with music by Shane. Decorations were in the traditional "Shades of Red and White." Everyone agreed that Homecoming '66 was the best yet!

“Leadership . . .

Scott Hendrickson
S.B.A. President

Serving as Student Body President has not only been a rewarding experience, but a continuous job. Renton High is fortunate in as much as its student government is an effective, well established system, whose success is proven by its results. While acting in this office, I have had the opportunity to utilize some procedure in our government. Through various leadership camps and workshops the past few years, our student council has developed into a group entirely capable of presenting student's views, while maintaining not only the respect of the students but also the respect of the faculty and administration. By providing the students with the knowledge of proper procedure, the student council has been able to transact business quickly and efficiently. The concern of the students for a knowledge of leadership and procedure is exhibited by their continued interest in the training programs and the broadening of their scope.

Renton's primary concern has been one of developing capable leaders. As a result, these people have inspired many worthwhile projects and reforms. During the past year, our student council hosted the Puget Sound League Leadership Conference and brought to the attention of the school board the existing problem of the portables. They have also reviewed prospects for improving Renton High, such as paving the parking lot, initiating interest in the building of a high school abroad and reviewing many items brought forth in the class business. A great deal of the credit for our student council's success goes to our advisor, Mr. Talmage, who has put in many long hours devoted to student activities. It has been a great privilege to have served as S.B.A. president, and especially to have worked with Mr. Talmage and the student councils of the past year.

“We try harder”

Early in October, first semester Student Council representatives traveled to Camp Waskowitz for a weekend leadership training session. Stressed were ideas on positive leadership and how to lead an active roll room. Included in the weekend's activities were a square dance and skits concerning school problems.

Torch has long been the symbol for scholastic achievement and learning. It is for this reason that the honor society has assumed the title of Torch as a symbolic reward for students who have maintained a 3.2 grade point average for three consecutive quarters.

This group is responsible for planning and organizing the

awards assembly at the beginning of the year. Here, the juniors and the seniors may receive either a one or a two bar pin for being a member of Torch. The seniors, having met the requirements for all of their three years of high school, are honored at the annual Torch breakfast in the Spring. They receive a special award pin for which they can be especially proud.

Election Committee has the responsibility of arranging the details of the SBA election. They screen candidates, check petitions, plan the candidate assembly, run voting machines, and tabulate all votes after the ballots have been cast. They also have the power to decide the results in an election dispute. Their faculty advisor is Mr. Robert Keyes.

The function of the Youthleadership Committee is to work together with the Renton Rotary Club in selecting a boy and

girl Youth of the Month. The committee chooses three boys and three girls each month from a list of applicants on the basis of scholastic achievement, leadership ability, citizenship, ambition, and service. These finalists then go before a group of Rotary members who make the final selection. The Youthleadership Committee is under the supervision of Mr. Ze-meck, and this year was headed by chairman, Doug Swanson and co-chairman, Molly Garber.

Boys' Club vs.

During the year of '66-'67, the Renton High School Boys Club, under the leadership of Tim Cummings, President; Scott McClellan, Vice-President; and Mark Day, Secretary, sought to obtain utmost participation from its members. This school year has been one of the most successful as far as boys activities are concerned. The Cabinet has opened a new era in the functioning of the boys program by their tremendous support in organizing the Club's Committees. Their achievements are varied—ranging from a soap drive to an outstanding assembly and scholarship program. For the first time, the Boys' Club has been able to compete with the Girls' Club with their newly formed Mr. Cool Committee and Dad's Night. The cabinet, officers and advisors Mr. Wicks and Mr. Felton have done a fine job.

Girls' Club

Any girl enrolled in Renton High School is automatically a member of Girls' Club. Here there are many opportunities to meet and work with new friends and at the same time accomplish worthwhile projects. From this aspect, the past year has been very rewarding. Girls' Club has had many successful new projects, as well as the traditional old ones. One of these included painting colorful flowers in four of Renton's lavs. Another was sponsoring the first Faculty Tea, as well as the annual Mother's Tea and Tolo. Holding a competitive soap drive between the Boys' and Girls' Clubs in which almost four thousand bars of soap were collected, was just one more of their projects. Girls' Club was also responsible for organizing a coupon drive to help pay for a bus for the Fircrest Mental Institute.

A CAPPELLA CHOIR: Choir is the ultimate of the choral groups at Renton. It consists of seventy-eight students who, through previous experience, have gained the many qualities necessary to perform in and with a group such as this. Mr. Richard Houser is the successful director, as can be seen by the numerous superior ratings A Cappella has received at contests. Besides performances at the Music and Spring Concerts, A Cappella participated in the Christmas Concert and various Christmas activities about the community.

CHAMSWING SINGERS: Mr. Richard Houser organized this group for students who have a special interest in music. These twenty-five students meet after school for practice sessions. They were chosen from A Cappella Choir. Although their performances are few at school activities, they frequently appear for organizations in the community, such as Kiwanis Club. One outstanding performance took place at the Olympic Hotel when they sang for North West Association for Secondary and Higher Schools.

Senior Girls' Glee consists of girls who have previously participated in vocal groups either here at Renton or at other high schools or who have been selected by audition. These girls are under the excellent supervision of Mr. Houser. They perform at many assemblies and musical concerts throughout the year.

Boys' Glee

There is nothing more pleasing to the ear than deep, qualified male voices. The R.H.S. Boys' Glee has performed at assemblies during which the student body has listened attentively

to the harmonious blending of the boys' voices. Mr. Houser is their advisor.

Underclassmen? Not really. Most sophomores are just beginning their musical career and need experience. The Sophomore Glee gives them a chance to gain this experience and to develop more skill. In every musical group you will find outstanding students; those who are sincerely interested and advanced in comparison to others. For these girls Mr. Houser has organized a Sophomore Nonette. Try-outs are held after school and every one of the forty-five girls of Sophomore Glee are eligible. But Mr. Houser must narrow it down to the nine girls who he feels are the very best. The Sophomore Nonette performs at most school desserts and at other civic activities.

One, two, three strikes you're in. This is the third year the Sophomore Girls' Glee has been in existence. Sophomores just coming to Renton find the music program huge and complicated. The Sophomore Glee enables the student to situate herself to the program. Also the director becomes familiar with the girl's voices. This helps him to guide the girls in their future music training.

Was Music

If you are one of those who can say that they are a member of R.H.S. band, you have something to be proud of. The qualifications for membership in Renton's largest band are rather strict. Thus, those who are accepted are fairly competent masters of their instruments. They have to be very co-operative to derive pleasure from putting together all the sounds and pieces of a composition to make the music both meaningful and entertaining. They must be willing to devote many long, patient hours in perfecting complex pieces. Miracles can be accomplished by practice, but a certain amount of talent is always necessary. These ninety-seven members have shown on occasions, too numerous to mention, that they all more than qualify in this respect.

Mr. Walter Wilson, their director, has also played a most important part in putting together these fine instrumental groups. He has once more done an excellent job.

The band started out a year of success by taking second place in Seattle's Torchlight Parade. They performed at all the home football games, at many other occasions. This band is one of the many things Renton has to be proud of.

Mr. Walter Wilson, Director of the Renton High School Band.

Karen Milan

MAJORETTE: Karen Milan was stepping high all through the football season in her first year as an R.H.S. majorette. She worked hard and long—as much as twelve hours for one half-time show—in addition to her many practices with the band. She has been twirling for two years and has become competent enough to twirl with fire.

DRUM MAJOR: Marching ahead of the big R.H.S. band at many of the performances during the football season was Bob Shoemaker. "It was a long season but it was worth it. It taught me a lot of responsibility." Bob's most embarrassing situation as Drum Major occurred when he forgot his suspenders for the University of Washington game and had to hold his pants up with safety pins! His performances contributed greatly to a most successful football season for the marching band.

Uniform Managers

Renton's Stage Band has contributed greatly to the enjoyment and spirit of the audiences at all the home basketball games and at various school concerts throughout the year. For the first time this year, the Stage Band performed with the Chamswing Singers for the Northwest Association for Secondary and Higher Schools at the Olympic Hotel. They proved to be a most delightful success.

Stage Band is a select group whose members have been chosen from the Senior Band because of high musical qualification and a genuine interest in jazz and modern music. Many hours are spent practicing for their performances.

The 1966-67 Renton High School Orchestra has again followed tradition. That is, the tradition of providing classical entertainment. Thanks to the Orchestra and Mr. Wilson Renton students are exposed to one of the many finer sides of life. Minds are broadened. The elite members have worked hard to perfect their group and definitely have been successful.

Art Club is formed for those who have an interest and a desire to express themselves through art. Members need not necessarily be enrolled in Art class. The members choose what they would like to work on, such as ceramics, drawing, oil and water painting, and sculpturing. One duty of Art Club is to rotate the P.T.A. pictures. "Walk together, talk together, all ye peoples of the earth." This kind of organization is the type which, in time, may bring universal understanding and respect throughout the world. It is for anyone who is interested in the many different customs and traditions of other countries. This year Kati Pallo came to Renton from Finland, Ana Var-

gas from Costa Rica, Nen Van Tran from South Viet Nam, and Bengt Randholm from Sweden.

Foreign Exchange Club functioned under the able leadership of the President Mary Anne Suzick; Vice-President John Gardin; Secretary Jan Uhorchak, and their advisor, Mr. Robert Wicks.

This is the committee that, along with the community board, chose Noelle McIntire and Joanna Morgan as our two semifinalists for foreign exchange. They now share the possibility of spending their senior year overseas in the home of a family in a participating A.F.S. country.

The Foreign Exchange Selection Committee interviews all junior applicants, inquiring as to their views on foreign policy, education, religion, teen-age drinking and smoking, and other such related subjects. The nervous applicants spend almost an hour responding to rigid questioning. From this, the panel chooses two who will best represent Renton High School abroad.

Mary Anne Suzick has the important position of chairman of this committee under the direction of Mr. Wicks.

John Gardin

To be chosen as one of the American Field foreign exchange students is not only a great honor but an invaluable experience.

Last summer John was selected to visit the Phillippines. He departed on June 19 from the Sea Tac airport with San Francisco as his preliminary destination. From there he flew to Mainla with fifty other foreign exchange students from across the United States.

Upon his arrival in Manila and his departure from the airplane he was not only greeted with an almost unbearable blast of humid heat but also with a very warm and friendly family with whom he was to stay, the Rosales. They took him to their home in the small town of Pasig, Rizal. They overfed him with six full meals a day.

John commented that the people were very interested in his pale legs when he wore cut-offs. He finally remedied this by wearing long pants.

When John returned home to Renton and R.H.S. he was glad to be back but "wouldn't have missed it for the world."

Photo Club

This year four students signed up for the Photo Club. Membership has been limited to those who were unable to take photography as a class. Regular weekly work meetings are held each Thursday after school. The students are free to work on subjects of their own preference and all supplies are financed by the students themselves. Their pictures have been used by the Chieftain and Illahee staffs. Their helpful advisor again this year was Mr. Calvin Beck.

Distributive Education Clubs Of America

What is D.E.C.A.? It is the Distributive Education Clubs of America. This club is for those students interested in merchandising. This year the three clubs were advised by Mr. George Winkels and Miss Sondra Jochimsen. The club's three presidents were Suzy Chissus, Jim Grey, and Ricky Scappini. George Cartwright, Barbara Morgan, and Bill Underwood attended this year's Governor's Conference, which was held at Olympia. Miss Morgan was elected State Historian, an honor well deserved. The D.E.C.A. Club again sponsored a dance with the P.T.A., the annual Employer-Employee Banquet and the Leadership Conference.

Campus Control Strikes Again!

... Gives the cow something to do.

Lunchroom pigs take State.

"Every litter bit hurts!" This slogan is often heard on television and on the radio, broadcasting about parks and streets, but it holds true also for schools and their campuses.

Campus Control was formed to build and maintain school pride by establishing standards and upholding traditions of Renton High. For those who violate the rules set up by Campus Control, warning tickets are issued. If this persists the violators are sent to the "Student Court". The "Student Court" counsels student violators on rules and policies. Its purpose has not been to judge and condemn, but to advise, reason, and solve problems. Mary Anne Suzick serves as President, Gayle Smith as Vice-President and Mark Farrell as Secretary. Mr. Talmage was again their advisor.

Any student wishing to improve his speaking ability is welcome to join the Debate Club.

Being the only competitive non-athletic organization in school, the Debate Club is active in the Puget Sound League participating in either trian-

gular, round robin, or week-end debates.

Its purpose is to encourage better oral communication through discussion, debate, and public speaking. Mr. Curtis Horne is the coach and advisor.

"Newspapers Are

"Two hours till deadline and we haven't even started paste-ups!" This is a familiar cry usually heard on Thursday nite.

The Chieftain Staff is composed of nineteen active members, some of which are editors, associate editors, reporters, and photographers. Keeping deadlines, seeking interesting material and writing it up in appropriate journalistic style are the main concerns of all these Chieftain producers.

The satisfaction of completing a good newspaper belongs to the whole staff but much of the credit belongs to the hard-working editors. First semester Gail Lawrence was in charge of the Chieftain operations. Second semester Mary Anne Suzick took over to complete one of the most successful years yet for the R.H.S. paper. The Chieftain staff's excellent advisor was Mr. Robert Schneider.

Renton High School's Drama Department presented John Patrick's "Teahouse of the August Moon", on April 27 and 28.

The story takes place in Okinawa following World War II, during the period of military occupation. The United States Army tries to Americanize the natives. In their efforts, they encounter many hilarious problems, two of which are communication and gifts of geisha girls.

The stage advisor was Mr. Charles Slightam; make-up and publicity was supervised by Mrs. Angela Guillory; and the drama coach was Mr. Stan Hastings. Under the fine student directing of Mary Ann Benson, the entire cast is to be congratulated on a very fine performance.

Drama coach, Mr. Stan Hastings, pauses for a brief moment of rest with two of the lead characters, Scott Hendrickson and Jim Gray.

Captain Fisby, whose military effort it seems, has done more to retard the war effort than advance it, is given a final opportunity to redeem himself by selling the merits of Plan B to the small Okinawan Village of Tobiki.

RENTON vs PUYALLUP—The Tribe opened its '66 season against Puyallup on the Viking field with hopes of repeating last year's victory. But Puyallup struck early with Hans Lindstrom returning the opening kick-off 99 yards for a touchdown. During the closing moments of the first half, Puyallup again scored with Lindstrom carrying the ball 65 yards. The kick failed and at the half the Viks led 13-0. But the Tribe refused to lose their spirit. With three minutes remaining in the game, the Indians scored from the one with Willenborg diving over. Smith added the extra point and the final score was 13-7.

RENTON vs CLOVER PARK—The Indians bounced back from their first loss with a 21-7 trouncing over Clover Park. Trailing 7-0 at the end of the first period, the Indians called on Groswhite to push over for their first score. Smith added the conversion and the score was deadlocked at the half, 7-7. In the third quarter Renton's tallies came on a one-yard plunge by Willenborg and a 17-yard run by Sloan. Smith added both point-afters, making the final score 21-7. The second half was sparked by strong showings of both offense and defense by the Indians.

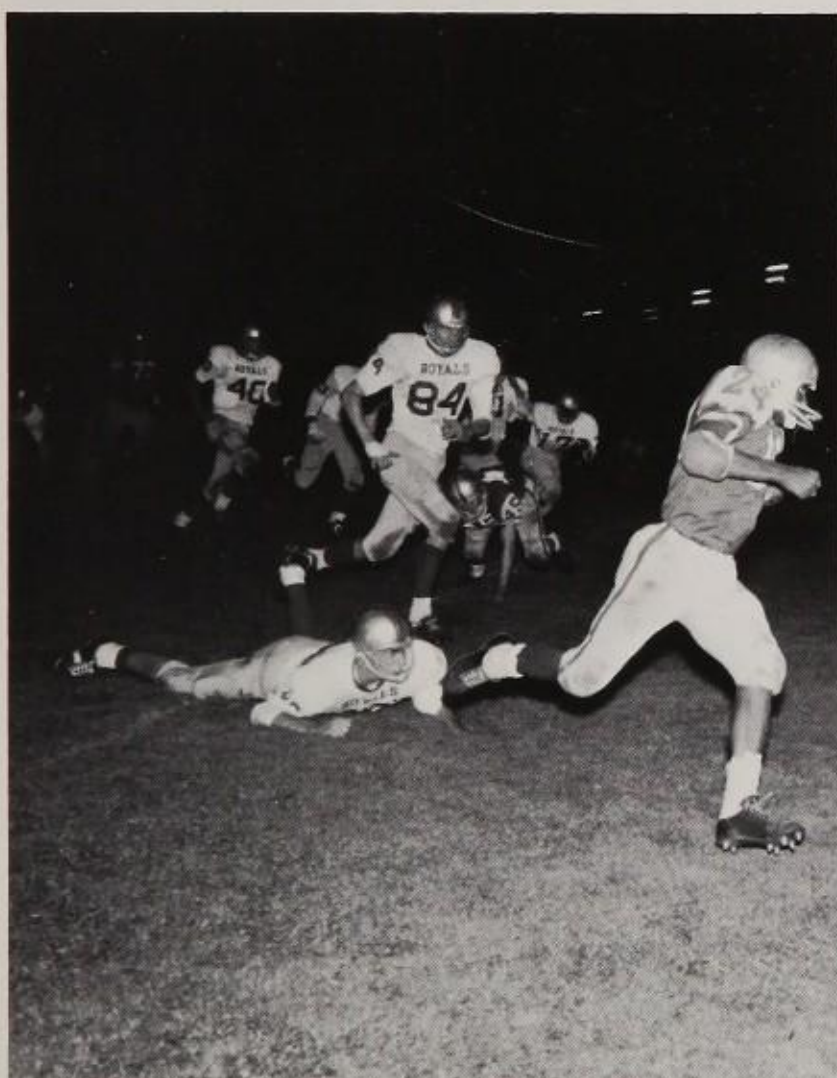

Willenborg cuts away for a touchdown.

Sloan breaks through for 15 yards.

Day blocks Smith on a sweep.

Nunn leaves a trail.

RENTON vs KENT—Renton took on the Kent-Meridian Royals and after a hard-fought battle were on the short end of a 25-14 score. The Royals dominated the first half by using two Tribe fumbles and a 90-yard drive for their first two scores. The Indians scored in the second period with Joel Nunn moving the ball to the one-yard line and Willenborg crashing over on the next play for the tally. Smith added the conversion narrowing the margin to 19-7 at the half. The Tribe came within five points of the Royals early in the third period, but Kent put the game out of reach mid-way through the fourth quarter, leaving the score 26-14.

RENTON vs GLACIER—The Indians trimmed the Grizzlies 14-6 after coming from behind in the final four minutes of the game. In the second period Glacier scored on a 35-yard pass play, but the try for the extra point failed and the Grizzlies led at the half 6-0. The third quarter showed fine defensive efforts by both teams. But in the fourth period the Indians drove 89 yards with Nunn going the last 12 and Smith adding the extra point. This gave Renton a 7-6 edge with 3:49 remaining. Glacier fumbled the kick-off and Mark Day recovered on the Grizzlie's 35. Five plays later and after two penalties, Nunn again scored from 19 yards out. Smith kicked the one-pointer with only 57 seconds remaining. After this strong team effort by the Indians they came away with a victory 14-7.

RENTON vs HIGHLINE—Highline's Pirates were the next foe for our spirited Indians. Highline struck early on an 11-yard pass play from Tomlinson to Zorich. The Pirates scored again in the second period with Tomlinson diving over from the two. Zorich added the conversion boosting their lead to 13-0. But our Tribe came right back. With 1:10 remaining in the half, Nunn crashed over from five yards out and Smith kicked the extra point narrowing the margin to 13-7 at the half. Late in the third period, a 31-yard pass from Willenborg to Day moved the ball to the Pirate five yard line stripe. Two plays later Nunn scored again but the kick was blocked and the score was deadlocked. Terry Smith narrowly missed a 27-yard field goal late in the fourth quarter and the final score stood at 13-13.

RENTON vs SEATTLE PREP—The Indians took on the Seattle Prep Panthers and after a rousing second half were turned away 27-7 by the number one team in the state. The offense was unable to move against the Panthers and at half-time the Seattle team was leading 20-0. But what had been a lopsided battle in the first half turned out to be a closely contested match in the second half. At the close of the third period, Prep scored and kicked the P.A.T. raising the score to 27-0. The Indians took the kick-off and in a sustained drive scored with Charlie Smith charging over from 18 yards out. After Terry Smith's conversion, the final score read 27-7. The Renton offense was slow in starting, but during the second half they made eight first downs to five for the Panthers.

RENTON vs EVERGREEN—Renton met the Wolverines of Evergreen at the Highline Stadium in what proved to be their best team effort of the season when they came away with a 27-0 victory. Charlie Smith took Renton in for its first score on a 19-yard run to climax a 55-yard drive. Terry Smith added the extra point. The Tribe's second touchdown was made by Nunn on a short five yard run. Willenborg joined wingback Mark Day for the Indians third score on a 37-yard pass play. Renton's strong back, Mike Sloan, carried the ball ten yards for the final tally of the game. The Big Red's defense allowed the Wolverines only 86 yards and intercepted two passes. The offense racked up 369 yards, Sloan carrying 137 of them. Willenborg hit 6 out of 8 passes for 113 yards.

RENTON vs TYEE—The Indians played their last away game of the season at Highline Stadium against the Tyee Totems. Renton's first tally was a 31-yard toss from Willenborg to Day, with Sloan carrying for the point-after. Sloan added the final score of the period on a 17-yard scamper up the middle. The second quarter was sparked by the fine running of Joel Nunn and Charlie Smith. Smith scored runs of 51 and 64 yards, while Nunn set up his tally on an 81-yard jaunt. He carried the last four yards and Burkhalter added the one-pointer to increase the Tribe's lead to 35-0. During the second half the Totems scored, but Renton came back with two more scores, giving the Tribe a 48-6 victory.

RENTON vs MT. RAINIER—The Big Red struck early when Mark Day intercepted a Ram pass and raced 95 yards for the first Renton score. On the first play after a successful on-side kick by Renton, Mike Sloan scampered 60 yards for the Tribe's second tally. Joel Nunn ran six yards to cap a 45-yard drive and end the first period scoring. Willenborg passed 18 yards to Jim Carignan early in the second quarter and reserve quarterback Bill Donckers threw 14 yards to Croswhite in the closing minute of the half. There was no scoring in the third quarter, but midway through the fourth period Renton scored their last touchdown of the season with Merle Nelson diving over from the one. Terry Smith successfully kicked five for six point-afters, giving Renton a 41-0 victory.

Renton's Harriers completed an undefeated season this year by taking first place in the P.S.L. Conference Meet and sixth in the State Meet. This strong team was headed by five senior lettermen: Tom Herron, Tim Kangas, Scott Fothergill, Curt Squires, and Jack Ernst. Herron took top honors by capturing first in the P.S.L. Conference Meet and second in the State Meet. Tom also broke the conference record of 10:40 set by Almberg of Evergreen in 1964 by turning the course in 10:27.5. Running a close second was Kangas who placed second in the Conference Meet and sixth in the State Meet. Curt Squires received the Inspirational Award for his dedication and hard work in three years on the squad. Herron and Kangas were elected co-captains. During the season, two perfect scores of 15 were achieved, by capturing the first five places. This was the second league championship and first undefeated season for Coach Savage since it became a varsity sport in 1963.

Golfers Win P.S.L. Championship

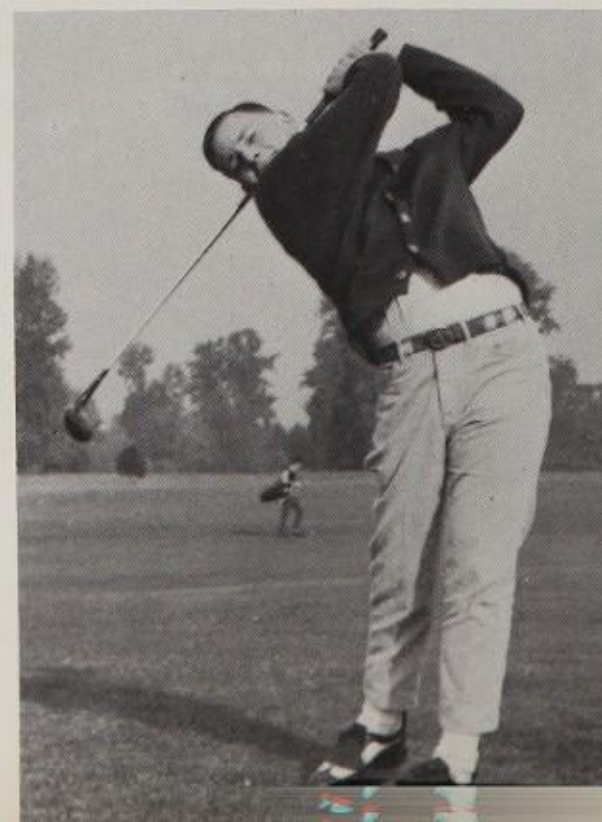

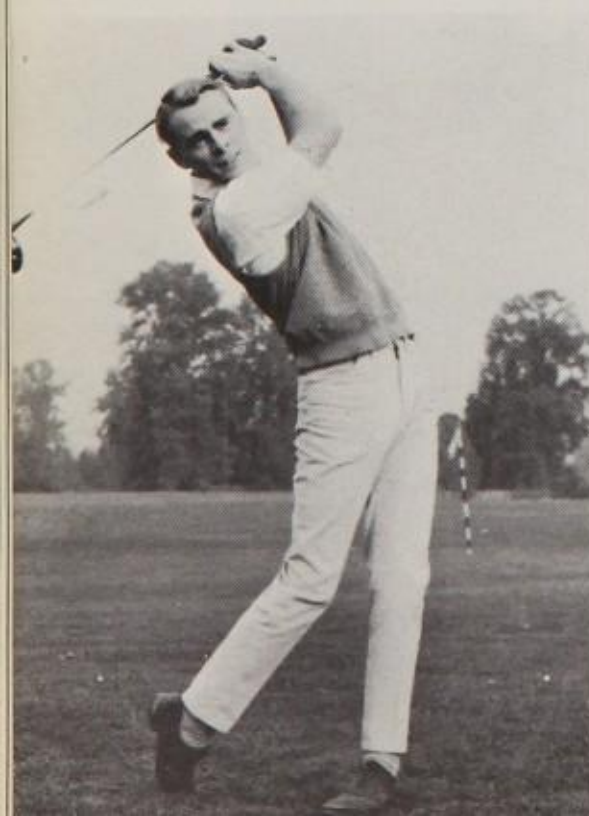

Gordon Haddad

Renton Golfers went undefeated this year, capturing the Northern Division Title with a 11-0-1 record, their only tie being to Glacier in the second match of the season. After taking the Northern honors, the squad went on to defeat the Southern Division champs of Auburn at Brookdale Golf Course by a team low score of 382-412, giving them the PSL Championship. This is the eighth year Golf has been a major sport at Renton and is the first undefeated season for the team in Robert Schneider's eight years as Renton's coach. The '66 squad consisted of four returning lettermen. Randy Puetz, a senior and third year letter winner, was low scorer of the team with his average of 35 strokes per 9-hole match. Paul Vendetti, also a three year award winner, averaged 37. Gordy Haddad and Tom Utterstrom, both two year veterans, and Rick Gratzner, one year member, were junior award winners all averaging around 37 strokes. Dick Zugschwerdt was the only sophomore to win a major letter. The five J.V. award winners were Randy Plut, Greg Kump, Lee Lawler, Paul Henry, and Tom Losek. In the PSL play-off Renton's greenmen displayed a fine team effort to take the championship; individual medal scores being Puetz-73, Utterstrom-74, Haddad-76, Vendetti-76, and Gratzner-83. A new PSL scoring record was also set by Renton this year in their match against Kent-Meridian.

The first annual PSL Medalist Tournament was held this year at North Shore Golf Course. Each school in the league sent two players, competing for individual honors to determine the best player in the Puget Sound League. Competing from Renton were Randy Puetz and Paul Vendetti. Puetz highlighted his season of consistent play by shooting a par 72 to capture the medalist honors and take possession of the championship trophy.

Tribe Takes 'AA' Title

Place: Seattle Coliseum

Date: March 17-18, 1967

Event: State 'AA' Finals

The Coach: Irv Leifer

Irv Leifer has been coach of Renton basketball teams for the past twenty years. In this time he has managed to find himself an exclusive spot in AA Basketball. He is the first coach in 43 years of tournament play to win four titles. The back-to-back titles of 1966-1967 also put his team alongside only three other teams to ever have succeeded in defending the title they won the year before. Coming to the tournament five years in a row, Coach Leifer's teams have won two titles, a second place, and a third and a fourth. That means, in the five tourneys, the Indians have lost only three games-and won 17. With two titles in a row, and a third place the year before, the Indians have won nine straight games against the cream of the crop in state Basketball. With this kind of success only one thing can be said about our own Coach Leifer. He IS the Best. Congratulations Coach!

Their basket, their game, their glory.

19-1 Record Led To Regional Berth

The 1966-67 season began with the Tribe rated No. 1 in the polls and ended with the Big Red proving that rating.

In the first game of the season the Indians beat Clover Park 76-63. In the AA Championship game, Renton stunned Newport 61-39. This big win was Renton's fifth straight in play-off action and No. 23 and 24 games of the season. The Tribe's only loss came against Puyallup which cost them the PSL Crown. In the Region I playoffs the Indians met Ballard and Seattle Prep.

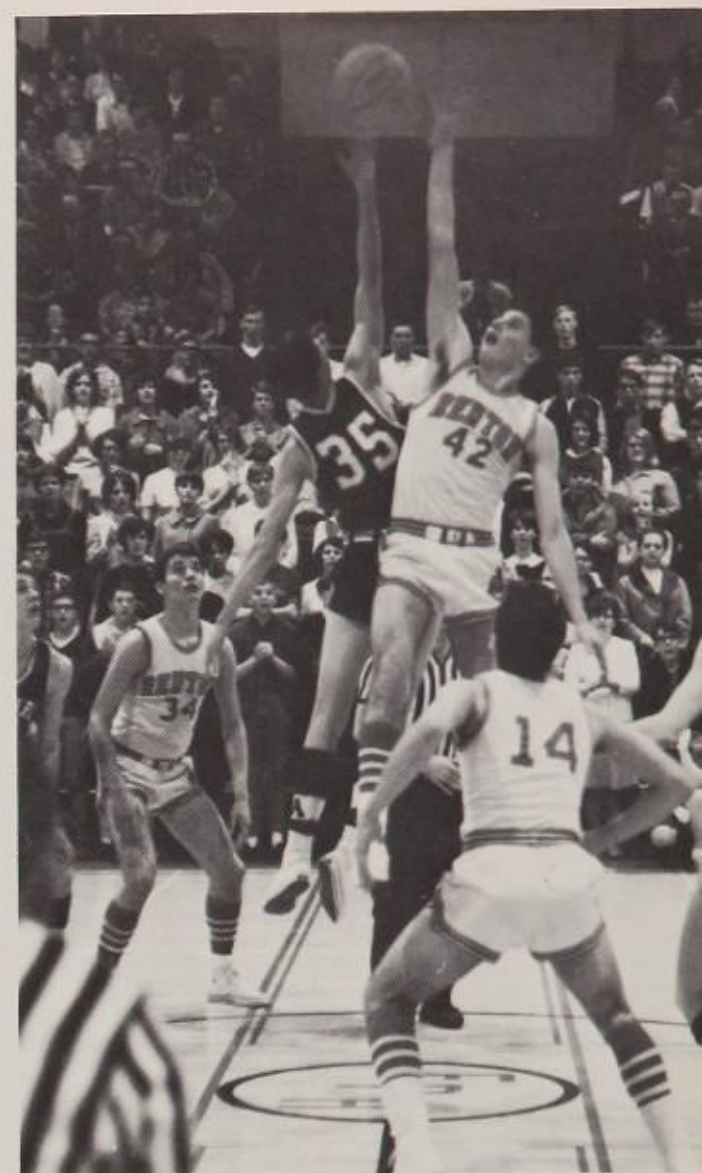

On March 10 the Mighty Red met Seattle's best, the Ballard Beavers, and quickly dropped them 57-41. The Beavers, who were never in it, trailed 19-8 at the close of the first quarter. By the end of the first half the taller Ballard team had narrowed the margin to 23-18. With Willenborg leading the attack, the cagers increased their lead to 45-30 after three quarters of play. Cummings, Reed, and Willenborg shared top scoring honors with 12 points each. Abhold and Basquette rounded out the well-balanced attack with 11 and 9 points respectively.

In the game to decide the Region I entry, the Indians turned away Seattle Prep Panthers. Using a stall to their advantage, the Panthers led after one period 4-3. An impressive zone defense enabled the Tribe to break the game open and build a 16-9 halftime lead. With fine rebounding efforts by Abhold, Reed, and Basquette, the Big Red's margin increased to 24-13 at the close of three quarters. Abhold and Willenborg led Renton scoring with 13 and 11 points. Reed and Cummings added 8 and 6 to the cause. Clean defense proved the difference with the Tribe picking up only six personal fouls. And "WE WANT STATE" rang through the halls of Renton!

An inspirational player, Tim Cummings, often lead the attack with his skillful ball handling. Here he puts in another two.

Fast moving Dave Willenborg put forth great efforts both defensively and offensively. Here he dribbles around his opponents with skill.

Center John Reed stretches to give Renton the tip-off in crucial Auburn match. Renton came out ahead to take the 2nd berth in Region I.

High scorer for the Indians was forward Tim Abhold. Big Abner adds two more on the scoreboard for the Big Red.

Region I Victory Another Step

Reed's perfected hook shots added many points for Renton.

Experience and sharp second-half shooting moved the Indians past Aberdeen 57-42 and into the championship game of the AA Tourney. In the first half the Bobcats from the south proved a tough foe, building a 20-19 halftime lead. But the Tribe ran Aberdeen off the court in the third period, dropping in 11 straight points, and outscoring the hapless Bobcats 19-4. Reed tossed in 19 points and Willenborg added 16 to lead the Indian raid. The closest the opponents came to the talented Tribe was 38-30 early in the final period. But the Big Red ran it to 53-34 with two minutes left, and the reserves took it from there. The Indians shot 38.1 percent to only 30.6 for the normally hot-shooting Bobcats. Next stop, the Newport Knights and the Class AA Title.

On March 18 the Renton Indians were entered in the record books as being the fourth team in AA Tournament history to capture the state crown two years in succession. Each team started slowly, and in the first quarter the Tribe led 13-6. By out-rebounding the Knights 25-15 and out-shooting Newport 35.5 percent to 23.8, Renton built a 27-15 halftime lead. With Reed and Basquette leading the charge, the mighty cagers increased the margin to 46-30 after three periods. Four of the Big Five were in double figures with Reed tops at 15.

After the confetti had settled and the record books closed, four Renton players were picked to the All-State first and second teams. Dave Willenborg was picked as the Tournament's Most Valuable Player, and was joined by John Reed on the All-State five. Tim Abhold and Tim Cummings were named to the second five in state. This marked the last game for eight seniors on the squad.

The final score on the Coliseum board read 61-39 for Renton, and the Indians retained their AA Crown, climaxing, perhaps, the greatest season of basketball in Renton's history.

Valuable reserves await Coach's word.

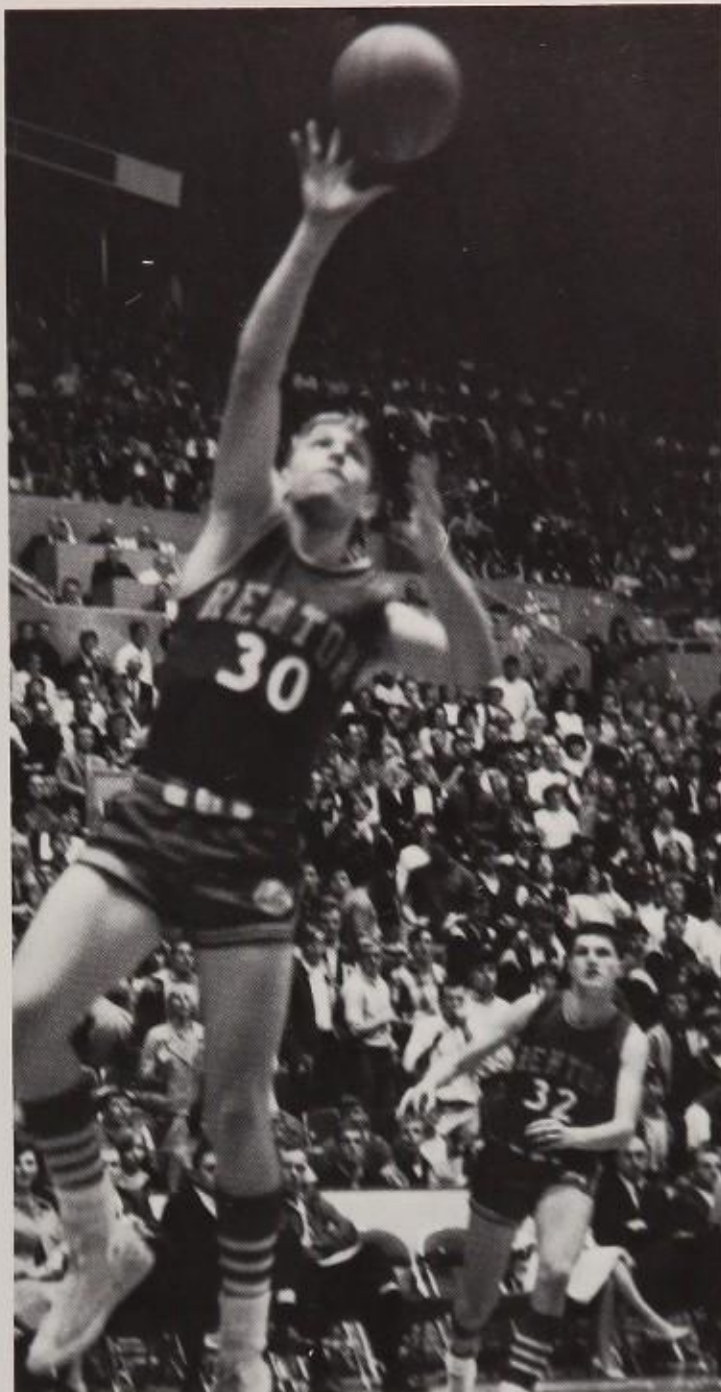

Basquette's drive through the lane around Newport's guard gets two.

Dave makes a left-handed attempt in the final game against Newport.

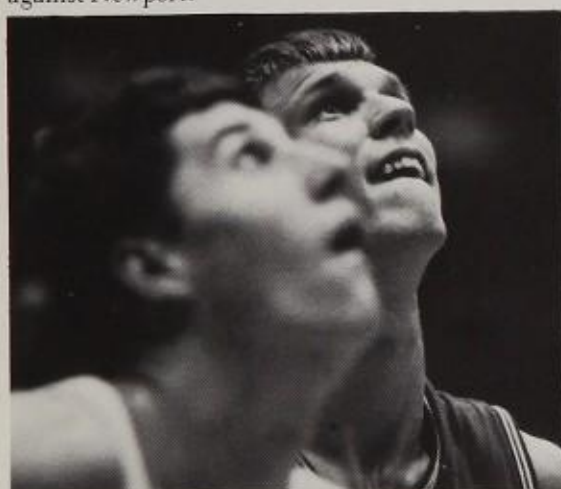

Reserve Bill Donckers scored four points in the final game.

Tim hits for two.

Dave Willenborg, one of our outstanding guards, paced the Indians with constant defensive and offensive play during the State Tourney at the Coliseum to earn the Most Valuable Player award. Dave scored 49 points during the four-game Tournament for a 12.3 average per game, but his biggest asset was his constant playing. A fine honor for a fine player.

... And Crowds Saw The Best Team Win

When the game was over, the score read VICTORY.

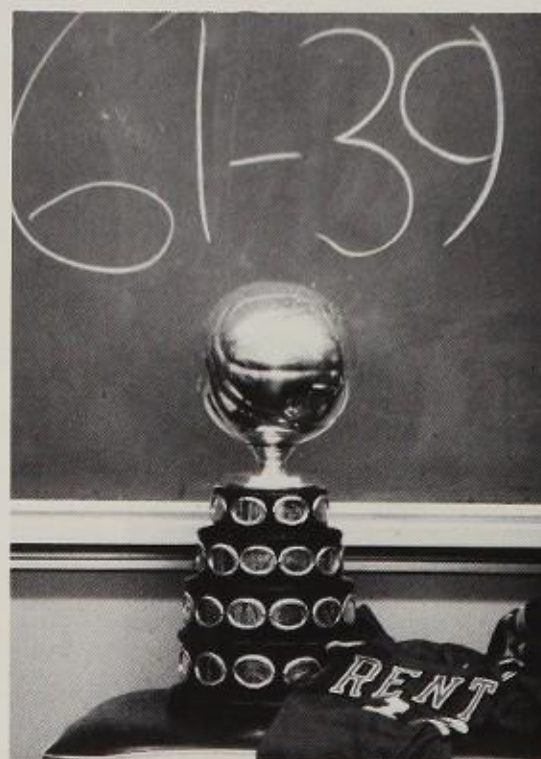

Jubilation.

They won sportsmanship, they won state. Proud and happy, they cheered ... and cheered and cheered.

Team spirit grew with each game. Here the Big Five line-up for their final game together.

What they worked for — the STATE TROPHY.

Team Captain Tim Cummings speaks with pride for the whole team.

After a slow start, Coach Savage's matmen bounced back to an impressive 7-3-1 season. This placed them fourth overall in the PSL standings. In the PSL Tournament the Tribe placed third with a fine effort by the entire squad. Five seniors headed the grapplers: Don Brown, Doug Fowler, Ben Bergsma, Bob Ingram, and Ron Lee. They were backed by returning junior lettermen Don Smith, Al Ritter, and Dan Michels. All of these wrestlers competed in the West Central District Meet with one, Don Brown, moving on to the state meet. Inspirational awards went to Ron Lee and Ben Bergsma, with Don Brown elected team captain.

They performed during half-time at four basketball games, and presented the flag before each home game. They also assisted the bands from the junior highs and the high school in saluting the branches of the services at a special half-time show on Armistice Day. This year's squad traveled to Everett for the annual Drill Conference in March. Talented drummer Lance Lu accompanied the team at all performances.

Full of enthusiasm and spirit, the members of the yell staff urged the entire student body to voice their support and loyalty for RHS teams. Beginning with their election in the spring, the squad spent many hours organizing and practicing cheers after school. The summer also included much practicing and a trip to Ellensburg for the State Cheerleading Conference. Along with their other duties they planned pep assemblies and were under the direction of the advisor, Mrs. Ardith Hilden. The squad was a great success in leadership and sportsmanship.

Intramurals Offered For

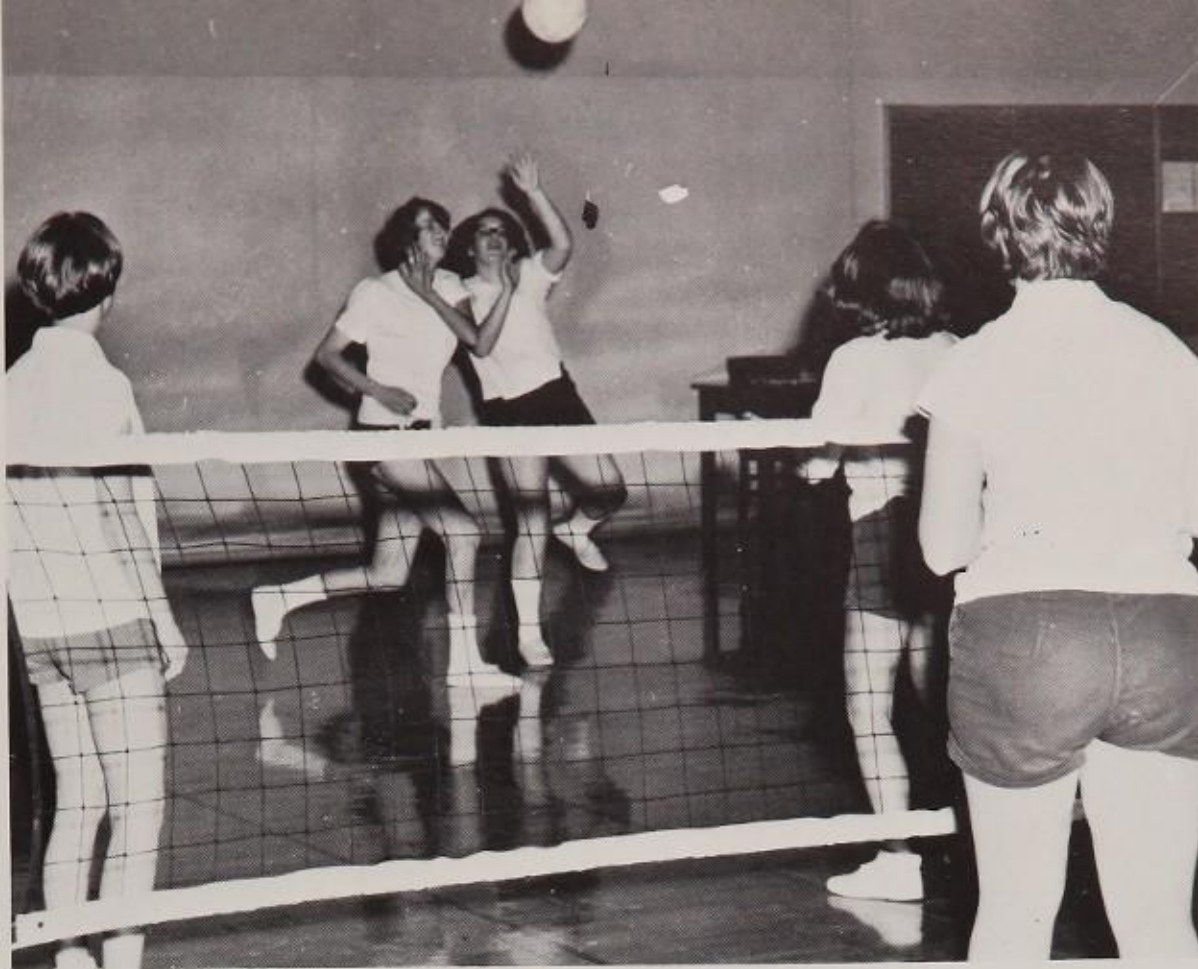

Renton's Intramural Program provides an opportunity for both boys and girls to participate in after-school sports. This program begins in the fall and continues throughout the entire school year. In the fall and spring emphasis is on outdoor activities. Indoor sports are offered during the ten winter weeks. Each RHS student is given the chance to participate in his favorite activities, which in turn helps him to develop his athletic skills and sportsmanship. Each intramural sport involves instruction and practice in the skills involved, and tournaments are held to add interest to each. All activities are supervised by the P.E. instructors.

Head Coach Lloyd Riddle and Assistant Coach Stan Frederickson.

Under the direction of their new coaches, Lloyd Riddle and Stan Frederickson, the diamond-men look forward to a successful season. With returning lettermen in every position to bolster the squad, the coaches hope to field a strong team in a strong league. Fielding will be the strongest area with batting and pitching coming in that order. Coach Frederickson feels his Junior Varsity squad has some talented sophomores which will be an asset to the team as the season progresses.

Busy Year For

DR. EARL W. HOBBS
Superintendent

He has had a very extensive background in education, receiving his Doctor of Education Degree in Education Administration, and his BA and MA degrees from Washington University in Saint Louis.

Along with this, Dr. Hobbs has been a teacher in both the grade school and college levels and has taught in Missouri, Maryland, and New York. In 1958-59 he was Administrative Officer and Specialist in Elementary Education for Columbia Teachers College overseas at Kabul, Afghanistan.

With this background, Dr. Earl Hobbs has served a helpful and successful first year as Renton's Superintendent of Schools.

Welcome To Renton, Dr. Hobbs

As a newcomer to the city of Renton and its school system, Dr. Earl W. Hobbs faced a tremendous amount of work and responsibility. The job of supervising as large an area as Renton isn't an easy one, but Dr. Hobbs fit the bill perfectly with his many qualifications.

“Diligence, Long Hours, And Hard Work . . .”

The responsibilities of principal and vice principal of the largest high school in the state are not easy jobs. They require diligence, long hours, and hard work. The two well-qualified people holding these positions are Karl J. Weber and Charles E. Talmage, respectively.

Mr. Weber handles the general supervision in all areas of administration of Renton High School and coordinates the work of the school to that of the district. He makes all major decisions and interprets policies and practices. Mr. Talmage's work centers around the students and their problems, Student Council, and school finances.

Congratulations go to both for jobs well done again this year.

Editor-in-Chief, Sandy Repetowski and advisor, Mr. Robert Schneider.

NO! It's not a mistake! You are probably wondering why the annual staff pictures are located in the back of the book, instead of in their traditional place with the Campus Life Section. The key word is "traditional".

This year's Illahee is definitely not traditional. It has seen many changes, some minor and some drastic, from the cover to the dividers, to a whole new layout and arrangement of the book. This fact is evident. What may not be as evident to you, is the annual's purpose. To many of you, this Illahee means very little right now. Someday in the future, as you thumb through it, you will find its true value.

An annual should express many values. For the graduating senior, it serves as the last little bit of "their year" to which they are able to grasp. As friends, faces, and familiar surroundings vanish with the graduate, and he must face new situations, the only way he is able to look back on his life at RHS is through his 1966-67 Illahee. In hoping that you will find the memories you will be looking for, the annual staff has tried to portray life as you will want to remember it.

Seniors

A successful Senior Section was completed by Gaye Faull, Stacy Rowan, Phyllis Belisle, and Yvonne Plata.

Juniors

Instrumental in Planning the Junior Section were Jodine Baglien and Pam Runions.

Sophomores

As lone members of the Sophomore Staff, Bonnie Bergman planned the layouts for RHS's biggest class.

Campus Life

Michelle Cooper, Margie Ducatt, Bonnie Barclay, Lynn Lingelbach, and Pam Beach made numerous different and interesting changes in the format of the Campus Life Section.

Staff members hard at work before a deadline.

Sports

Highly commended for a great Sports Section, are JoRene Forbes, Tanya Toschi, Patti Shamek, and Brian Merrill.

Advertising

Advertising, which is no easy task, was completed by Denise LaFever and Chris Baldwin.

Index

Working long hours on the faculty and Index Sections, were Carole Bogh and Marsha Bunstine.
